Powering Innovations Transforming Energies

ABOUT US:

Neptune – The name the nation trusts and the world acclaims. A distinctive identity that has been committed to offering total satisfaction and credibility in work for over 30 years. The company continues to progress steadily, introducing world-class technology in the fields of power, energy, and electrical domains. The organization has achieved remarkable growth and development under the visionary leadership and inspiration of Neptune Group Founder & Chairman, Mr. Deepak Kapoor.

Throughout this journey, the Neptune Group has received numerous awards, including the recently achieved Business Excellence Award. We have successfully completed various projects in metros, airports, AIIMS, IITs, Parliament, and other government institutions, as well as for leading corporate houses and renowned private enterprises.

Neptune is an ISO-certified company with a strong Pan-India sales and support network, backed by 21 branch offices and more than 300 business channel partners. We have established strategic collaborations with global conglomerates such as Bals Elektrotechnik Germany, Ducati Energia, ABB, Elsteel, and many more. Additionally, With over 50,000 energy management and power solutions installed and more than 7,000 successful projects completed, Neptune continues to drive innovation and excellence. In 2025, we marked a significant milestone with the establishment of our new factory and corporate office in Noida.

Neptune remains the Emancipator , striving towards the catalyst of change in igniting, the pulse of Human ingenuity , through its passionate endeavors, of , "Powering Innovations Transforming Energies " .
